

LESLIE SQUIRES, MD

Concierge Medical Services

MD LTD

2100 Webster St., Ste. 320, San Francisco

415-923-3627, www.mdltd.com

Tired of spending more time in the waiting room than you do with your doctor? Leslie Squires, MD, offers concierge medical services for individuals who are interested in putting their health first. His unique program offers patients a personal relationship with their doctor while integrating modern technology with state-of-the-art treatment. MD LTD has a limited membership to allow generous time to each individual patient. Members are given access to Dr. Squires 24/7 via cell phone and secure email: House call are also provided under special circumstances
